

COFFEE FLAVOR OILS

Clearance List

Engineered Flavor Systems for Coffee Beans, Candy, Teas, Smoothies, Energy Drinks & Beyond

Strawberry Burst

Juicy, vibrant strawberry layered with deeper mixed-berry undertones—engineered for bold aroma throw, lasting sweetness, and high-impact performance across coffee beans and beverage applications.

Limited Batch Availability

Watermelon Berry

Refreshing watermelon fused with a subtle berry finish—clean, juicy, and designed for smooth integration into summer-driven blends and beverage systems.

Limited Batch Availability

Tangerine

Bright citrus tangerine with natural zest and soft sweetness—delivers a crisp top note that enhances both hot and cold applications with a clean citrus lift.

Limited Batch Availability

Lime Aide

Sharp, refreshing lime balanced with a lightly sweetened finish—crafted for clean, crisp flavor delivery and versatile use in energizing formulations.

Limited Batch Availability

Kiwi

Exotic kiwi with tangy-green brightness and soft tropical sweetness—adds a unique, fresh dimension to fruit-forward coffee and beverage profiles.

Limited Batch Availability

Cola

Classic cola profile with warm spice, caramelized sugar, and citrus peel notes—nostalgic, bold, and highly adaptable across creative flavor builds.

Limited Batch Availability

Passion Fruit

Berry-forward passion fruit with softened acidity and layered sweetness—delivers a smooth, aromatic tropical profile ideal for seamless blending across applications.

Limited Batch Availability

AVAILABLE FLAVOR PROFILES — CONTINUED

Peppermint Party

Cool, invigorating peppermint with a smooth, sweet finish—clean mint profile engineered for strong aroma without overpowering the base.

Limited Batch Availability

Raspberry Berry

Rich raspberry layered with deep berry complexity—sweet, slightly tart, and built for full-bodied flavor impact in both coffee beans and beverage systems.

Limited Batch Availability

Dr Pepper Profile

Complex spiced cherry cola profile with layered sweetness and subtle warmth—bold, nostalgic, and instantly recognizable in application.

Limited Batch Availability

Pomegranate

Deep pomegranate with balanced tartness and natural sweetness—adds richness, color, and depth to elevated flavor systems.

Limited Batch Availability

Black Cherry

Dark, bold cherry with rich, syrupy depth—smooth, slightly tart, and engineered for strong flavor presence.

Limited Batch Availability

White Cake

Soft vanilla cake profile with buttery sweetness and baked-good warmth—ideal for indulgent, dessert-style formulations.
